

Celebrating 125 Years of St Andrew's College

St Andrew's College Junior School Commemorative Tea Towel

Our Student Council and Ms. Morley have been working on a lovely project for the community - a 125 anniversary commemorative tea towel filled with hand drawn portraits of each and every one of our wonderful K1 - P6 pupils. The idea of behind the tea towel is to celebrate our rich 125 year heritage but also to look forward to a fabulous future and raise funds for a kiln for the Art room in our new building.

Please return the below slip to Junior Reception (hard copy - no emails accepted) and make payment by cheque or credit card (NO CASH) by 13/11/2019.

LATE ORDERS will not be accepted as we will be placing our bulk order for the tea towels based on payment received.

Well done to our Student Council for working on such a great project!
