18th December 2019

Dear Sir/Madam,

The St Andrew's College PTA is delighted to host our Charity Lunch at the Shelbourne Hotel on Friday, 7th February 2020.

This year the PTA has chosen a "Panel of Charities" dedicated to supporting the needs of primarily young people in our community. Each of the charities has a connection with the College and resonates with the ethos of the College. The majority of the charities are small and not on the public's radar and would benefit hugely from any support we are able to offer.

The Charities which form The 2019/20 Panel of Charities are:

- Accessible Community Transport Southside (South County Dublin) <http://www.actsltd.ie/>
- Children in Hospital Ireland (Crumlin Tallaght Temple St) <https://www.childreninhospital.ie/>
- Down Syndrome Centre (Sandyford) <https://www.downsyndromecentre.ie/>
- Irish Wheelchair Association (Clontarf) <https://iwasport.com/sports-centre/>

We at St Andrew's College PTA feel that this is a very worthwhile Panel of Charities and we can make a real difference to them by supporting the fantastic work they do.

We are kindly asking you to donate a prize to support our Panel of Charities auction or raffle this year. All our supporters will be recognised on the day unless otherwise requested.

Your support is greatly appreciated. Please contact **Fleur Campbell** at fleurmc@gmail.com if you are able to help.

Kind regards

Krysia Lynch
