

My Article For St. Andrew's

Eleni Zavaliadi, P3C

St. Andrew's is an amazing school. All the teachers are very kind and friendly. We do lots of fun things.

Children of all ages will like St. Andrew's.

Small children will like the school because: They play a lot of fun games and they do a lot of fun crafts.

Older children will like the school because: They learn so many things and they do a lot of projects.

Some of the fun places in the school are: The playground, the classrooms, the music room, the assembly hall, the senior hall and the library.

We read lots of books and we play a lot but we also learn about all sorts of things. In my opinion St. Andrew's is the best school in Ireland!
