## St Andrews Junior School

Here in St Andrews Junior School, we have many fun things to do! For example, we have: Story time, Art with Mr. Cousins, Spanish with Mr. Florida, or French with Madam Claire and lots more!

Small children will enjoy St Andrews Junior School because we have a fun playground for them to play on at recess, playing with toys and having Art with Mr. Cousins (Also known as the sassiest teacher in our school)

Older children will also enjoy our school too! They might like to play on Laptops or iPads (Since we have them because our school is the best) or they might like to read in their spare time during class and don't forget about Mr. Cousins, because everyone in our school likes Art and Mr. Cousins!

Something that makes our school even better is that we have fun days like if it's a Friday and it's sunny we might be having an ice cream truck coming to our school or if it's Halloween we will have a

Halloween Costume Contest or if its Christmas we will wear our  
Christmas jumpers and have a Christmas play and loads more!

So, come and learn at our amazing fun school, St Andrews Junior  
School!
